ABOUT ME

Electronics & Telecommunication engineering student focused on machine learning, explainable AI and web development. Worked on research papers on ECG arrhythmia detection and EEG seizure classification, completed a research internship at NIT Delhi, and built and deployed a portfolio website using HTML, CSS and JavaScript. Looking for a web development or AI/ML internship.

EXPERIENCE

WEBSITE MANAGEMENT INTERN **Aug 2025 - Mar 2026**

SSR Constructions | *Gwalior*

- Managed and maintained the company website, including regular content, image and page updates.
- Helped improve page layouts and navigation to make the site easier to use.
- Monitored Website performance, found issues and worked with the team to get them fixed
- Assisted in designing and improving website layouts, navigation, and overall user experience.

RESEARCH INTERN **Jun 2026 - Jul 2026**

National Institute of Technology (NIT) Delhi | *Communication Lab, Dept. of Electronics & Communication Engg.*

- Worked on an explainable AI framework for ECG arrhythmia detection, combining biomedical signal processing, machine learning and model interpretability.
- Handled the full workflow: ECG preprocessing, feature engineering, classification and model interpretation.
- Built and compared models in Python, TensorFlow/Keras and Scikit-learn using Accuracy, Precision, Recall, F1-Score, ROC-AUC and PR-AUC.

EDITING HEAD **2023 - Present**

IEEE Power & Energy Society (PES) Student Community

- Handled editing and content work, collaborating with the team to structure, refine and communicate technical ideas clearly.
- Developed strong skills in technical communication, teamwork, editing, documentation, and content organization.

EDUCATION

B.TECH, ELECTRONICS & TELECOMMUNICATION **2024 - 2028**

Madhav Institute of Technology and Science (Deemed University) | *Gwalior*

CLASS XII, CBSE **2022 - 2023**

Central Academy School | *Gwalior*

- Percentage: 78%

CLASS X, CBSE **2021 - 2022**

Central Academy School | *Gwalior*

- Percentage: 90.8%

PROJECTS

PERSONAL PORTFOLIO WEBSITE

HTML, CSS, JavaScript, Vercel | vinay-portfolio-gules.vercel.app

- Built a personal portfolio from scratch with pages for projects, research papers, skills, certificates and contact details.
- Added a certificate gallery, embedded video edits and a downloadable resume; deployed on Vercel.
- Created dedicated sections for projects, research work, technical skills, certifications, achievements, and contact information.
- Deployed and maintained the portfolio on Vercel with a focus on clean UI, responsive design, and accessibility.

ACHIEVEMENTS

Awards
- **16th Rank** – VLSI for All Hackathon
- **Exhibition Winner** – DRDE Science Exhibition, Defence R&D Establishment, Gwalior (2019)

Hackathons
- **Participant** – ISRO Hackathon (Bharatiya Antariksh Hackathon)
- **SLAB Hackathon** – Gwalior DAO × IEEE PES (2025)

Certificates
- **Research Internship** – NIT Delhi (2026)
- **Digital Transformation with Google Cloud** – Google Cloud (2025)
- **Data Visualization & Tools** – edSlash Coding Hub (2024)
- **Machine Learning Algorithms & Applications** – MITS Gwalior (2025)

SKILLS

Web Development
- HTML, CSS3, JavaScript (basic), Responsive Web Design, Basic UI/UX, Responsive Web Design, Website Management & Maintenance

AI/ML & Data Analyst
- Machine Learning, Deep Learning, Explainable AI, Quantum ML, Signal Processing, Data Analysis, Scikit-learn, NumPy, Pandas, Matplotlib, Power BI

Programming
- Python, C++, Data Structures & Algorithms, Jupyter Notebook, Google Colab, Anaconda

Soft Skills
- Problem-Solving, Analytical Thinking, Communication, Teamwork, Time Management, Adaptability

Tools& Platform
- VS-code, Jupyter Notebook, Google Colab, WordPress, Matlab, Git & GitHub

Languages
- Hindi (native)
- English (professional working proficiency)
